To whomsoever it may concern

It gives me immense pleasure to introduce and recommend my student Mr. Sauhard Dubey, whom I have known for the past two semesters as a professor of Advanced Programming with Python and the Head of Department of Computer Science at R. D. and S. H. National College affiliated to the University of Mumbai.

Sauhard has shown strong interests in the Subject of Computer Science. His ability to grasp analytical and complex logical concepts is commendable. He has the ability to work independently and accomplish tasks with great initiative and positive temperament. He is curious to know more and has demonstrated high acumen in working and solving various complex assignments.

Besides Academics, Sauhard has also participated in multiple co-curricular activities on both Intra - and Inter College levels. His work in the Departmental College Festival represented his impressive leadership and team working skills.

Sauhard has proved to be a capable and motivated student. His sincerity, perseverance and commitment will make him a valuable member for any academic program he wishes to pursue.
